INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Georgia Coalition Against Domestic Violence, Inc.

We have audited the accompanying financial statements of Georgia Coalition Against Domestic Violence, Inc. which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards* issued by Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Georgia Coalition Against Domestic Violence, Inc.'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Georgia Coalition Against Domestic Violence, Inc.'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

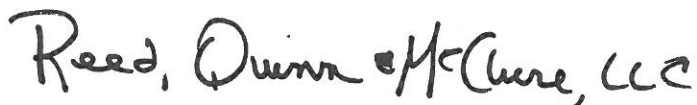

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Georgia Coalition Against Domestic Violence, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of *Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reports Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 3, 2017, on our consideration of Georgia Coalition Against Domestic Violence, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Georgia Coalition Against Domestic Violence, Inc.'s internal control over financial reporting and compliance.

GEORGIA COALITION AGAINST DOMESTIC VIOLENCE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016 and 2015

1. Summary of Significant Accounting Policies

The Georgia Coalition Against Domestic Violence, Inc. (the "Organization") is a non-profit organization whose mission is to be an advocate for victims of domestic violence in Georgia. The Organization accomplishes its mission through programs that provide advocacy, technical assistance, education, information and other services to its members. The Organization's membership is comprised of individuals and organizations, including shelters, concerned with domestic violence victims and their children. The Organization depends on public funds, both contributions and federal awards, to accomplish its mission.

Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Fair Value of Financial Instruments

Fair value is defined as an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, FASB ASC 820 establishes a three level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels used to measure fair value are as follows:

- Level 1 Quoted prices in an active market for identical assets or liabilities;
- Level 2 Observable inputs other than quoted market prices included in level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data;
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities; this includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Cash and cash equivalents, Federal grants and other receivables, accounts payable and accrued expenses are stated at cost, which approximates fair value due to their short-term maturity.

Contributions

Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

GEORGIA COALITION AGAINST DOMESTIC VIOLENCE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
JUNE 30, 2016 and 2015

1. Summary of Significant Accounting Policies (Continued)

Contributed Services

Non-cash contributions are recognized at the fair value of the services received. To qualify for recognition, the contributed services must create or enhance non-financial assets, or require specialized skills. Contributed services meeting these criteria are recorded if the Organization would have otherwise purchased the donated services. A substantial number of volunteers donate significant amounts of time to the Organization. The value of these contributed services has not been recorded in the financial statements as they do not meet the criteria for recognition.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Organization is a nonprofit corporation that is exempt from federal and state income taxes under Section 501(c) (3) of the Internal Revenue Code. The Internal Revenue Service has determined that the Organization is not a private foundation. No income or excise taxes are reflected in the accompanying financial statements. Contributions to the Organization are allowable, deductible contributions by the donor under the prevailing Internal Revenue Code of the United States.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an original maturity of three months or less to be cash equivalents.

Allowance for doubtful accounts

The allowance for doubtful accounts is based on prior bad debt history and management has determined no allowance was required for fiscal years ended June 30, 2016 and 2015, since the Organization has not experienced any bad debts in prior years.

Property and Equipment

Property and equipment are stated at historical cost if purchased and at fair market value at the date of the gift, if donated. Repairs and maintenance are expensed as incurred. Improvements to property and equipment that extend the useful lives are capitalized. Depreciation is computed over the estimated useful life of the applicable asset using the straight line method. Depreciation expense for the fiscal years ended June 30, 2016 and 2015 was \$386 and \$368, respectively.

GEORGIA COALITION AGAINST DOMESTIC VIOLENCE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
JUNE 30, 2016 and 2015

1. Summary of Significant Accounting Policies (Continued)

Compensated Absences

Compensated absences represent obligations of the Organization relating to employees' rights to receive compensation for future absences based upon service already rendered. This obligation relates only to vesting accumulating leave in which payment is probable and can be reasonably estimated.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through January 3, 2017, the date the financial statements were available to be issued.

2. Concentration and Economic Dependency

The Organization receives 87% of its revenue directly from federal grants and indirectly through state grants. The ability of certain agency grantors to continue to provide amounts comparable with prior years may be dependent upon current and future overall economic conditions. While the Organization's management believes that it will continue to have the resources to provide its programs, the ability to do so may be dependent on the factors noted.

3. Retirement Plan

The Organization maintains a retirement plan for the benefit of its employees. The annual cost of the retirement plan has been included in other personnel cost on the statement of functional expenses, and appropriately allocated. For the fiscal years ended June 30, 2016 and 2015, retirement plan expenses amounted to \$6,126 and \$6,157, respectively.

4. Grant Receivables

Federal receivables include amounts earned on approved federal grant contracts. The Organization's receivables relating to federal grants are as follows:

	2016	2015
U.S. Department of Housing and Urban Development	\$ 26,893	\$ 76,289
U.S. Department of Health and Human Services	69,266	71,345
U.S. Department of Justice	77,528	15,174
	<u>\$ 173,687</u>	<u>\$ 162,808</u>

5. Contingencies

Grants and awards received from the Federal government are subject to review by grantor agencies. This review could result in requests for reimbursements to the grantor for any disallowed expenditures. The Organization believes that disallowances, if any, will be immaterial to its overall financial position.

GEORGIA COALITION AGAINST DOMESTIC VIOLENCE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
JUNE 30, 2016 and 2015

6. Operating Leases

Rental expense for the fiscal years ended June 30, 2016 and 2015 was \$39,204 and \$34,844, respectively. Subsequently, a new lease was signed and future minimum payments required on the operating lease are as follows:

<u>Year</u>	<u>Amount</u>
2017	\$ 40,490
2018	40,800
2019	40,800
2020	6,800
	<u>\$ 128,890</u>

GEORGIA COALITION AGAINST DOMESTIC VIOLENCE, INC.
NOTE TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
JUNE 30, 2016

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Georgia Coalition Against Domestic Violence, Inc., and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Georgia Coalition Against Domestic Violence, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements and the related notes to the financial statements of Georgia Coalition Against Domestic Violence, Inc., ("the Organization"), which comprise the statement of financial position as of June 30, 2016 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial and have issued our report thereon dated January 3, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions of the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion of the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention to those charged with governance.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitation during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Georgia Coalition Against Domestic Violence, Inc. internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Georgia Coalition Against Domestic Violence, Inc. internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees
Georgia Coalition Against Domestic Violence, Inc.

Report on Compliance for Each Major Federal Program

We have audited Georgia Coalition Against Domestic Violence, Inc.'s ("the Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2016. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, Georgia Coalition Against Domestic Violence complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

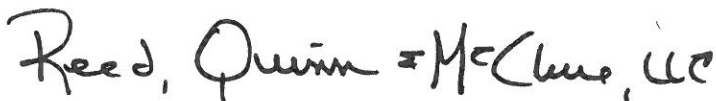

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on the internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion of the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in the internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
